

WORKSHEET FOR UNDERGRADUATE MINORS IN PSYCHOLOGY

*These guidelines apply to **all** psychology minors.*

- USU Psychology courses used for a minor must have a GPA of 3.00 or higher. All Psychology courses, USU and transfer, used for the minor must have a GPA of 3.00 or higher.
- No Psychology courses numbered 3000 or above may be taken until a student has completed Psy 1010, 1100, 1400/1410, with a GPA of 3.00 or higher or has completed at least 45 semester credits with a 3.00 GPA.
- No Psychology courses numbered 4000 or higher may be taken until a student has completed at least 60 semester credits with a GPA of 3.00 or higher.
- Students must receive a grade of C- or higher in all Psychology courses (USU and transfer) in order to have them counted toward graduation.

Note. Most Psychology courses list *Psy 1010* as a prerequisite. Many of these Psychology courses also have additional prerequisites as listed in the *USU General Catalog*.

Increasingly there is a demand for students entering a variety of professions to have a background in social and behavioral principles and how these impact a variety of human outcomes, including health and wellbeing. This minor will allow students to have a focus in behavioral health which may be advantageous for them as they apply for professional and graduate schools in areas outside of Psychology be with a social/behavioral component.
