Class Meeting Time: Tuesday Evenings from 5:15 p.m. to 10:30 p.m., with a dinner break from 7:00 p.m. until 7:30 p.m. Class will not meet July 4.

Textbooks: No Textbook required. Students will access content through the Southern Regional Education Board/Go Alliance Academy’s online curriculum.

The Go Alliance Academy provides access to Strategies in College and Career Counseling, a series of online training modules that can improve the effectiveness in preparing all students for college—especially those from low-income families who would be first-generation college students. This original college and career counseling training program was launched in 2009 and was quickly adopted by 16 states to train counselors and college
access professionals. The Go Alliance Academy college and career counseling training program offers the most comprehensive program of courses, designed by experts in the field, on the topics counselors want and need most. Go Alliance Academy is based on years of experience and research working with counselors across the country. The program is updated annually in order to provide even richer, more interactive, and relevant training.

**General Requirements:**

*Every week, students need to bring an electronic device that will allow them to access course content and in-class quizzes online during class.*

Students are expected to attend class each week, complete all assigned reading, complete all assignments, discussions and quizzes on time as well as actively participate in weekly class discussions.

**Course Description:** Designed for both pre-service and practicing school counselors, this course teaches effective strategies for preparing all students for post-secondary education. The course is divided into four modules, each focusing on a unique area of college and career readiness.

*It should be noted here that the term “college” is used throughout this course to refer to any postsecondary education or training in accordance with the NCAN definition: “College refers to a Pell-eligible educational institution beyond the high school level, including those that offer apprenticeship programs, certificates, and associate and/or bachelor degree programs.”*

**Module One, Building a College-Going Culture for All Students** consists of four sessions that include:
1. Understanding the National Workforce Landscape and 21st Century Careers;
2. Cultural Competency and Equity;
3. Understanding, Communicating, and Advocating for the Role of the School Counselor in College and Career Planning;
4. Creating a School-Wide College-Going Culture.

**Module Two, College Career and Academic Planning**, consists of four sessions that include:
1. Supporting Student Career Awareness and Development;
2. Engaging Students in Career and Postsecondary Planning;
3. Using Data to Address Equity and Guide Academic Planning;
4. Helping Students Make Postsecondary Choices.

Module Four, College and Career Advising in the Middle Grades, consists of four sessions that help school counselors address the following: 1. Helping Middle Grade Students and Families Understand the Value and Affordability of Postsecondary Education; 2. Engaging Middle Grade Students in Self-Exploration of Career Interests and Skills; 3. Engaging Middle Grade Students and Families in Academic Planning and Transitions; 4. Helping Students Develop Mindsets and Skills for Academic and Career Success.

Course Objectives: Each session in every Module is linked to the ASCA School Counselor Competencies. In addition, at the beginning of each session in each Module on Canvas, there is a list that outlines all of the course objectives. Please refer to each Module’s session online content to view these objectives.

Course Requirements:

Discussions:
There will be a total of 8 discussions worth 30 points each and will be posted on the Canvas Discussion Forums. 2 of the discussions will be completed in class in small groups and then be posted by one member of the group. The other 7 individual discussions will be completed outside of class. These discussions are worth a total of 240 points.

Quizzes:
There are a total of 16 short quizzes, one at the end of each of the 4 session in all Modules 1 – 4. These quizzes are worth 15 points each. 240 points are available for all quizzes combined.

Literature Reviews:
One Literature Reviews will be required at 30 points. Students will choose 1 article from within in the non-required course readings that are available on the Additional Resources lists at the end of every session. These literature reviews will be discussed in
class in small groups. 30 total points possible.

Final Project:
Students will complete a PowerPoint presentation on any component of College and Career Readiness that is designed for students and/or parents. Students should plan to actually use this presentation in internship or in future school counseling positions. This project is worth 200 points total. Complete directions for this Project are on Canvas.
