USU School Counselor Education Program Scholarship

Overview

The USU Professional School Counselor Education Program offers a need-based scholarship for students in the program. Scholarships in the amount of $1000 will be awarded for one academic year to students who are selected. First- and second-year students are eligible to apply. Second-year students who have completed the first two semesters of the program may apply even if they were awarded the scholarship their first year. All applicants must meet the deadline listed on the application. Note: Third year students are not eligible to apply for this scholarship, but are qualified to participate in available paid internships in school districts.

Requirements

Enrollment
The student must be a first- or second-year student in the USU Professional School Counselor Education Program, and must be enrolled in all required course work.
